Mineral Wool
Attachment

THERMAL-GRIP® IMPALING FASTENER
Mechanical attachment of mineral wool insulation.

AIR-BARRIER PERFORMANCE
Flexible 2” dia. washer seals air barrier penetration.
• Optional use with caulk to seal screw penetration

REDUCES THERMAL-BRIDGING
Solid plastic washer creates a thermal break.

Air Barrier
Performance

(616) 454-3100  www.rodenhouse-inc.com
• Energy efficient thermal break solution
• Reduces penetrations - attach wrap and insulation
• For use with sheet & fluid applied air barriers
• Air Barrier Performance
• Optional retaining disk secures insulation on pin
• Made in USA
